# WHEEL COLLECTION COLLECTION

# **WHO WE ARE**

Steve Hamilton, the Founder of SD Wheel, chose to tread the less-traveled path more than 20 years ago, a decision that significantly impacted his journey. Starting from humble beginnings, he has truly become an embodiment of the American Dream that every U.S. citizen aspires to achieve: equal opportunity for success through hard work, determination, and initiative. Here at SD Wheel Wholesale, we are committed to assisting you in pursuing the same success in your business!

With our partnership you will have access to our endless options to help your customer get everything that their automotive build needs. You will also have access to exclusive brands including ARKON OFF-ROAD, Anthem Off-Road, and Anovia Wheels. Our goal is to provide every one of our customers with the aftermarket products needed to achieve their dream build. With our partnership we would like to help you and your business do the same.

We're enthusiasts, just like you, that want to help your business provide the best product options in the industry.

# **ABOUT OUR BRANDS**

One of **Anthem Off-Road**'s primary objectives has always been to provide the highest quality wheels at a reasonable price to add value to our customers. With a variety of unique models, multiple finishes and endless bolt patterns, there's an Anthem wheel for everyone. Whether you prefer to enjoy the outdoors or show off your ride on paved streets, these wheels provide both form and function.

Anovia Wheels was founded to push the boundaries of the world of aftermarket wheels. Combining function and presence, Anovia Wheels has set the new standard for wheel designs. We are driven by the same passion of genuine enthusiasts who live and breathe the lifestyle. After all, we are enthusiasts too. Using our signature Deco-Directional designs, ArtFormed ultralight A356 Aluminum, and unique wheel fitments, our wheel collection offers what others simply don't. What was exclusively only known in the forged wheel market is now available to every car enthusiast.
