## WHO WE ARE

Here at SD Wheel Wholesale, we are committed to assisting you in achieving the same success in your business! With our partnership, you will have access to our endless options to help your customer get everything that their automotive build needs. You will also have access to exclusive brands including ARKON OFF-ROAD, Anthem Off-Road, and Anovia Wheels. Additionally, our

brand new tire brands which came out last year. Our goal is to provide every one of our customers with the aftermarket products needed to achieve their dream build. With our partnership, we would like to help you and your business do the same.

We're enthusiasts, just like you, who want to help your business provide the best product options in the industry.

## ABOUT OUR BRANDS

We're proud to introduce our Forged wheel lineup to you. With the best designs and lowest prices for the cleanest forged wheels you can find, ARKON FORGED is set to take over the game.

The ultimate crossover between an all terrain and mud tread pattern, the Kelfire DMR RT delivers superior daily driving performance while maintaining an aggressive aesthetic for any light truck.

Evolved Autosport coilovers are designed to be the most competent suspension for daily driven vehicles. With a focus on ride quality and comfort, everyday commutes are transformed.

Kosic tires have been engineered for exceptional performance and great handling, but it also holds its own in wet conditions and all seasons, including light wintry weather.

Anthem Off-Road's primary objectives has always been to provide the highest quality wheels at the most affordable prices for trucks, Jeeps, and other SUVs. With a variety of unique models, multiple finishes, and endless bolt patterns, there's an Anthem wheel for everyone.

Arkon Off-Road leads the truck wheel industry with Proper Directional and innovative designs, top manufacturing techniques, and a brand our customers are proud to be a part of. Check out the wheel company we are proud to call our own.

We started Anovia Wheels to breathe new life into the world of aftermarket wheels. Finding inspiration through the unified ideology of function and presence, Anovia Wheels is driven by the passion to create a new standard. Using our signature Deco-Directional designs and ArtFormed ultralight A356 Aluminum, our wheel collection offers what others simply don't.
